

SKI SPECIAL

6th Form Ski Trip

Val di Fassa, Italy 2010

On Friday 12th February the first 6th form ski trip set off on their travels to Italy for what turned out to be a fantastic trip for all involved. 43 students both past and present were greeted by our rep in a great hotel in a great location with great snow all week. Mr. Parker's early anxieties of taking the likes of Will 'I promise I will behave' Donaldson and Sam 'Sir, how much do I owe you now?' Fennelly, were put to rest when the group had a great time and rose to every challenge. All the 6th form were real ambassadors for the school and enjoyed all their extra privileges. Martin Dawkins and Owen Wyatt had their 18th birthdays and we had to explain to Mr. Fallon that the cards were not for him! All skiers made great progress. The top groups completed the most difficult red runs with ease. A night ski, pizza and a touch of wonderful local hospitality was a great way to finish off one of the best trips we have ever run.

"The ski trip was the best experience of his Life" -
