Wednesday 21st October 2009

Dear Colleagues,

Due to popular demand we are happy to announce that we are recommencing our successful Fresh Start Group.

This is in line with Harrow PCT's commitment to support families, who have experienced and currently experiencing domestic violence and relationship problems. The programme is offered to all parents living in Harrow (crèche facilities run by experienced staff, will be provided for children under 5 years of age).

The Venue will be at the
Kenton Learning Centre
(next to Glebe School)
D'Arcy Gardens
Kenton
HA3 9JU

Date : 9:30am-12:30pm every Thursday starting on 26/11/09 for 15 weeks block sessions + 2 weeks follow on sessions.
Joint lunch to be eaten with children will be provided as part of our healthy eating campaign.

All clients will be visited by group facilitators at home prior to commencing the programme.

If you have any clients who may benefit from this programme, please complete a referral form or contact me on the below details:-
